

Skincentrals

Purity Facial

60 minutes \$100.00

Problematic and oilier skin types will benefit from this special facial that is designed to address challenges of the T-zone. Special emphasis is given to extracting and cleaning pores, and a balanced combination of products give the skin a refreshing glow.

Antioxidant Firming Facial

60 minutes \$100.00

Antioxidant Vitamin C is the most effective way to repair and prevent the aging free radical damage resulting from environmental exposure. We literally infuse the most powerful formulation of pure Vitamin C directly into the skin to restore skin texture, elasticity and firmness while fading pigmentation problems and diminishing fine lines and wrinkles. Includes extractions and Vitamin C Firming Masque.

Cleansing Back Treatment

60 minutes \$125.00

Using the same high quality ingredients we use in our facials, this deep cleansing treatment is specifically made for the back and will leave your skin feeling renewed and refreshed.

Professional Alpha/Beta Hydroxy Facial

70 minutes \$125.00

The Alpha/Beta Peel works for all ages and skin types. It is a stunning treatment before a special night out. The gentle peel diminishes the appearance of fine lines, reduces pore size, improves skin firmness, tone and texture, and enhances your skin's radiance.

Alpha/Beta Express Peel

25 minutes \$65.00

Radiant skin is achieved at any age with a proper regime of good skin care. Combining the best techniques and products from our skincare menu, the esthetician customizes a program to meet your skincare goals. Eye treatments, peels and ampoules will be included as needed at no extra cost.
